CV/

A professional portrait of Kiril Vereshchagin, a young man with dark hair, wearing a black suit jacket and a black shirt. He is looking directly at the camera with a neutral expression. The background is a dark, solid color. A patterned pocket square is visible in his jacket pocket.

# Professional Summary

Dedicated IT Consultant and creative leader, constantly seeking new opportunities to innovate, grow, and make an impact. My key strength is my ability to identify opportunities, develop and implement strategies that drive performance, and achieve measurable outcomes.

## Work Experience

### IT CONSULTANT INDUSTRIAL SUPPORT

**JANUARY 2022 – PRESENT**

*Rheinmetall MAN Military Vehicles Österreich GesmbH / [rheinmetall.com](http://rheinmetall.com)*

- Led and executed IT projects (size L – 1, size S – 5) including gathering and analyzing information, formulating and testing hypotheses, and developing and communicating recommendations.
- Collaborated with stakeholders to align IT solutions with business requirements.
- Designed frontend and backend components, considering architectural guidelines, usability- and performance requirements.
- Consulted and mentored international IT teams (3) and junior members (4) in UI/UX design and frontend development, establishing trust-based relationships to better serve their organizations.

### ART DIRECTOR

**JULY 2019 – JUNE 2020 & FEB. 2021 – DEC. 2021**

*Art Quarterly Publishing House Werbe- und PR-Agentur GmbH / [art-quarterly.com](http://art-quarterly.com)*

- Directed all creative processes and decisions, handling complex and ambiguous requirements.
- Conceptualized, designed, and realized a wide range of print (15 magazines of various sizes) and digital media, managing the entire process from initial sketch to print-ready final version.
- Led web projects (6), including development, support, and technical assistance.
- Coordinated a multicultural team of 4, establishing trust-based relationships with clients.

### FULL STACK WEB DEVELOPER

**DEC. 2018 – JUNE 2019**

*Freelancer / [vereshchagin.studio](http://vereshchagin.studio)*

- Built a client base in web development and web design, synthesizing clear takeaways from complex information into clear solutions and recommendations.
- Conceptualized and implemented tailored full-stack solutions, from server infrastructure setup to final application; completed 5 profitable projects.
- Coordinated closely with business clients, identifying, analyzing, and implementing requirements.

## Military Service

### GUARD OF HONOUR, PRIVATE (OR-2)

**JULY 2020 – JAN. 2021**

*Austrian Armed Forces, Guards Battalion, 3rd Honor Guard Company / [diegarde.at](http://diegarde.at)*

- Actively participated in border security missions during the Covid crisis, recognized with two Orders for exceptional service.
- Developed leadership skills and resilience in a high-pressure and challenging environment, effectively working within diverse teams to achieve common goals.

## Education

Undergraduate degree in "Electronics Engineering and Computer Science" (Ing.).

### Certifications

ITILv4 Foundation, EBC\*L Certified Manager (ABC), Cambridge English C1, The Pyramid Principle (Seminar), Project Mgmt. (Seminar).

## Skills

Frontend: HTML/CSS, JavaScript, Angular, Svelte, Vue.js Bootstrap 4/5.

Backend: PHP, Laravel, Java, MySQL, DB2.

Software: InDesign, Photoshop, Illustrator.

### Languages

Fluent in English, Ukrainian, and Russian.
